RE: L-730 H&W Rehires

Dear Ms. Hogan

Thank you for approving a credit of \$58,419.60 (\$60,558.00 less \$2,130.40 for Waldron) for the L-730 associates that were rehired and receiving adjustments for H&W contributions until their full time benefits commenced automatically in the system. It has come to our attention that our initial request for a credit had a typographical error resulting in a \$30.00 difference. The amount request was \$60,558.00 but should have read \$60,588.00. The backup that was included with the request details the \$60,588.00.

We are now seeking reimbursement \$30.00.

Please review and provide the requested reimbursement or credit allowance. Should you have any questions or concerns, please feel free to contact me.

Regards,

A handwritten signature in cursive script that reads "Kathy Boyle".
