Re: 2015 Fees

Dear Trustees:

This letter represents our proposed fees for the year 2015, pursuant to the Consulting Agreement between Cheiron and the Mid-Atlantic UFCW & Participating Employer Pension Fund.

A) Retainer – Our proposed annual fee for 2015 retainer services is \$50,580 (\$4,215 per month) effective January 1, 2015. This represents a 1.7% increase totaling \$840 from our 2014 fee. The retainer fee covers the following services for the Mid-Atlantic Fund:

1. Conduct an annual valuation of the Mid-Atlantic UFCW & Participating Employer Pension Fund including all standard required exhibits and disclosures as well as a detailed review and summary discussion of the Fund's assets and liabilities, funded status, historical trends, and future projections. This will result in a formal written report.
2. Attend one annual Board of Trustees meeting for the purpose of presenting the annual valuation report. The presentation will include an historical trend analysis and deterministic and stochastic forecast projections using Cheiron's proprietary **P-scan** interactive modeling tool.
3. Attend up to three additional Trustee/Policy Committee meetings per year.
4. Respond to the annual disclosure request of the Fund auditor.
5. Prepare the Schedule MB attachment to the annual Form 5500 filing.
6. Provide other Fund professionals any additional information required from the Fund auditor in regard to the standard annual government and PBGC filings. Ad-hoc brief discussions with other Fund professionals that do not require follow-up work or communications.

B) Non-Retainer – With respect to special consulting projects, Cheiron's hourly billing rates for our actuarial analysts and consultants will range between \$146 and \$473 per hour for 2015.

We look forward to working with you and the Trustees during 2015.

Sincerely,
Cheiron
