Definitions:

of Claims Paid: Number of distinct claim numbers with payments processed that year. Total Payments: Sum of total dollars paid on a claim, listed in the year the benefits were paid. Avg Processing Days for Initial Pymt: Calculated from the claim open date to the date of the first payment, excluding holidays and weekends. If the first payment was made after the reopen date, the calculation is from the reopen date to the date of the first payment. This is not a loss ratio report. Excluded are variables such as claims incurred but not reported and other related factors.
