## Electronic Funds Transfer (EFT) Form

We know how important it is for you to receive your monthly pension benefit safely and without delay. We ask that you consider an electronic funds transfer of your monthly pension which will allow the Fund to deposit your check directly into your bank account, either checking or savings. This means your pension amount will be available to you no later than the close of business on the 1<sup>st</sup> business day of the month so you won't have to worry about waiting for the mail to be delivered or driving to the bank to deposit a paper check.

If you wish to elect direct deposit, please complete and return this form using the return envelope provided. Please note we must receive this form no later than the 14<sup>th</sup> of the month for this change to be effective the 1<sup>st</sup> of the following month.

\_\_\_\_\_ I hereby authorize the Pension Fund ("Fund") to deposit my monthly pension benefit payments into my account identified as and held at the Financial Institution named below, and I authorize that such account exists and that the Financial Institution can make deposits without responsibility for correctness of such amount.
