The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see <u>www.associated-admin.com</u> or call 1-800-638-2972. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$500/individual	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Network preventive care is covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical plan (<u>network</u> and <u>out-of-network providers</u> combined): \$5,000/individual, \$10,000/family; Prescription drugs (in-network): \$1,600/individual, \$3,200/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billing charges, penalties for failure to obtain preauthorization, health care this plan doesn't cover and cost sharing for non-essential health benefits.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. For <u>network</u> medical <u>providers</u> , see <u>www.carefirst.com</u> or call 1-800-810-2583; for <u>network</u> mental health and substance use disorder <u>providers</u> , see <u>www.beaconhealthoptions.com</u> or call 1-800-353-3572.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will generally pay the full cost if you use an <u>out-of-network provider</u> . Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
