***Notice of Creditable Coverage Regarding Your Prescription Drug Benefit***

*The following Notice of Creditable Coverage applies to Medicare-eligible participants, retirees and dependent spouses.*

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the UFCW Unions and Participating Employers Health and Welfare Fund (Active and Retiree Health Plans) and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The UFCW Unions and Participating Employers Health and Welfare Fund has determined that the prescription drug coverage offered by the Active Health & Welfare Plan and the Retiree Health & Welfare Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

---

**When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan (also called a "Part D" Plan) when you first become eligible for Medicare and each year thereafter from October 15<sup>th</sup> to December 7<sup>th</sup>.

If you lose your current creditable prescription drug coverage through no fault of your own, you will also be eligible for a two (2)-month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens To Your Current Coverage If You Enroll in a Part D Plan?**

If you enroll in a Medicare drug plan, your current prescription coverage through the UFCW Unions and Participating Employers Active and Retiree Fund will be terminated.

[PUT IN SHADED TEXTBOX]

**You cannot have both Medicare prescription drug coverage and prescription drug coverage through the Fund at the same time. If you enroll in a Medicare drug plan and drop your Fund prescription drug coverage, be aware that you and your dependents may not be able to get the same Fund coverage back.**

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with the Fund and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) if you join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join. ***Be careful!***

### **Note to Kaiser Medicare HMO Enrollees**

You will get a notice from Kaiser Permanente that you are enrolled in Medicare Part D. Your coverage for medical and/or prescription drug benefits through Kaiser will remain the same.

### **For More Information about This Notice or Your Current Prescription Drug Coverage...**

Contact the Fund Office for further information at (800) 638-2972 or (410) 683-6500. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the UFCW Unions and Participating Employers Health and Welfare Fund (Active and Retiree Health Plans) changes. You may request a copy of this notice at any time.

### **For More Information about Your Options under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.
